

# **HISTORIC AMERICAN BUILDINGS SURVEY**

## **INDEX TO PHOTOGRAPHS**

WORLD TRADE CENTER SITE

HABS NY-6369

Bounded by Vesey, Church, Liberty Streets, & Route 9A

New York

New York County

New York

Photographs by Bruce A. Harms (BH), The Louis Berger Group, Inc, and John Bartelstone (JB), June 2004.

The photographs are grouped into three sections:

Section A (west portion of site, Bath Tub)

Section B (east portion of site)

Section C (Hudson and Manhattan Railroad Terminal and Tubes)

## **INDEX TO BLACK AND WHITE PHOTOGRAPHS**

NY-6369-1	Aerial view from Port Authority Helicopter. (BH)
NY-6369-2	Aerial view after September 11, 2001. Photograph by Eric J. Tilford, U.S. Navy, September 17, 2001.
NY-6369-3	Aerial view of Section A from AMEX building. (JB)
NY-6369-4	Aerial view of Section A from World Trade Center 7. (BH)
NY-6369-5	General view of west portion of Section A, looking south. (BH)
NY-6369-6	General view of west portion of Section A, looking northwest. (BH)
NY-6369-7	General view of west portion of Section A, looking northeast. (BH)
NY-6369-8	General view of west portion of Section A, looking west. (BH)
NY-6369-9	General overall aerial view of parking structure in Section A, looking north/northeast. (BH)
NY-6369-10	General aerial view of parking structure in Section A, looking west/northwest. (JB)
